Address: 1200 12th Avenue S

Features and Characteristics for which a Certificate of Approval is required:

See Ordinance No. 116055

Summary of proposed changes: Final design of Building A, with associated landscaping and site improvements on the “north lot”, and alterations to the historic fence and site lighting.

PROPOSED MOTION FOR APPROVAL

I move that the Seattle Landmarks Preservation Board approve the application and issue a Final Certificate of Approval for Phase I construction of a new building and associated site alterations, on a portion of the site known as the “north lot” at the former U.S. Marine Hospital, at 1200 12th Avenue S, as per the attached submittal.

The scope of this application does not include proposed artwork or signage for the building and site.

EXPLANATION AND FINDINGS

This action is based on the following:

1. The applicant is responsible for providing documentation of the licensed and insured facility, where designated features from the site may be stored and protected during construction, if being removed from the property.
2. With regard to SMC 25.12.750 A, *the extent to which the proposed alteration or significant change would adversely affect the features or characteristics described in Ordinance No. 116055.*

**Administered by The Historic Preservation Program
The Seattle Department of Neighborhoods**

“Printed on Recycled Paper”

- a. While the proposal includes a major building addition to the north side of the designated site, the massing, scale, and character of the addition are subservient to the iconic form of the main hospital tower.
3. With regard to SMC 25.12.750 B, *the reasonableness or lack thereof of the proposed alterations or significant change in light of other alternatives available to achieve the objectives of the owner and the applicant.*
 - a. The applicant explored and presented alternative layouts and massing of the buildings, to demonstrate to the ARC and Landmarks Board that the project approach is reasonable.
4. The factors of SMC 25.12 .750 C, D and 25.12.750 E are not applicable.
5. The proposed work as presented is consistent with the following Secretary of Interior's Standards for Rehabilitation as listed below (*or cite other applicable standards*):

Standard #9: New additions, exterior alterations, or related new construction shall not destroy historic materials that characterize the property. The new work shall be differentiated from the old and shall be compatible with the massing, size, scale, and architectural features to protect the historic integrity of the property and its environment.

Standard #10: New additions and adjacent or related new construction shall be undertaken in such a manner that if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
